THE ENGINE FOUND.

Robbers Left it Four Miles from
Scene of Robbery.

ESCAPED IN THICKET

Passengers Nor Mail Were Molested,
but They Carried Off Two Sacks
of Loot from the Express
Car—Officers in Pursuit.

Texarkana, Tex., Sept. 4.—There were six instead of five men that held up the Cotton Belt passenger train on Tuesday night near Eylau Station. After blowing up the safe in the express car with dynamite, the robbers secured two sacks of loot. This they transferred to the engine, which had been detached from the other cars. Engineer Henderson was compelled to put out his headlight, he was then put off and one robber took charge of the engine, saying two of their number knew as much about running it as he did.

The engine was then run south at full speed. Engineer Henderson followed on a handcar, which he had secured from a nearby switch house after some delay. Early this morning he came up with the deserted engine about four miles from the scene of the robbery. The robbers, who the engineer believed from their actions were railroad men, had escaped into the dense woods surrounding the track at this point. Engineer Henderson could not give a very accurate description of the men, but said they were all young and were masked.

The engineer took the engine back, picked up the mail and express cars, then going to the remainder of the train coupled on and continued south. Neither passengers nor mail was molested by the robbers.

Several posses are out hunting the robbers. Bloodhounds kept at the penitentiary at Rusk, Tex., were sent to the scene of the robbery on a special train. Everything that can be done to capture the robbers is being done by the Cotton Belt officials. O. K. Wheeler, chief of that road's special detective force with five men, reached here on a special engine running from Tyler, Tex., and took up the trail.

It is believed the robbers are in Sulphur river bottom moving toward the Louisiana line.

It cannot be ascertained here from railroad officials how much money was secured from the express car, but it is thought to reach into thousands.

The First Report.

Texarkana, Tex., Sept. 4.—Four miles south of this place last night the Cotton Belt passenger train No. 1 was held up by robbers, the express car looted and all valuables taken.

The train was flagged by one of the robbers who forced the fireman to go back and cut off the mail and baggage cars and returning forced the engineer to give up the management of his engine to one of the robbers, who it appears is an expert engineer. He ran the engine, mail and express cars about a mile from the point where they stopped. There they forced the express messenger to open his car, then they blew the safe open with dynamite, securing a very large booty.

The robbers then cut off the engine from the mail and express cars, and forcing Engineer Henderson to get off, they took the engine in charge of the robber engineer and went south at full speed. No passengers were molested. They were, however, badly frightened and hid their valuables.

Got But Little Booty.

St. Louis, Sept. 4.—Superintendent Fuller of the Pacific Express, believes the Cotton Belt robbers got little, but he declined to state the amount aboard. The Cotton Belt railway and Pacific Express company offer \$300 apiece for the six robbers.

China Apologizes to Germany.

Potsdam, Sept. 4.—Prince Chun visited the mausoleum at Friedenskirche today and placed wreaths on the tombs of Emperor and Empress Frederick. Emperor William received Chun at noon in the presence of Royal Princes Baron von Richthofen, the foreign secretary, principal ministers and generals and court dignitaries. The prince read a letter written in yellow ink to the emperor. After the audience Prince Chun inspected the guard of honor and returned to Oranienburg, where the emperor visited him in the afternoon. The visit was to apologize for the murder of Minister Von Ketteler to China.

Incendiary Suspected.

Chicago, Sept. 4.—What firemen say was a well arranged plan to destroy the Orpheon theater building on Washington street, opposite the city hall, was made shortly after midnight Tuesday night. The building is a 4-story structure, and many of the rooms were occupied as offices by various firms. As-

sistant Fire Marshall Horan and his men discovered evidences of incendiarism in a room on the fourth floor. An investigation is proceeding.

Higimo Will Be Leader.

Rio de Janeiro, Sept. 4.—It is asserted that Senor Jose Higimo will be appointed president of the Brazilian delegation at the Pan-American congress. The other members of the delegation will be Former Minister of the Interior Pitacio Pessoa and the Brazilian minister to the United States, J. F. De Assis-Brazil.

WAR IN COLOMBIA.

Revolutionists Declare They Will Defeat the Government Troops.

New York, Sept. 4.—The brief enablement of the recent sinking of the Colombian gunboat Lapopa has been supplemented by further particulars regarding the accident, by mail. General Joaquin Velez, of the government of Bolivar, charges that the Lapopa was sunk by rebels, and he has caused the imprisonment of the four survivors, charging them with complicity in the plot.

The government has used every effort to suppress the details of the wreck. On this account it is not definitely known how many lives were lost. Lapopa was carrying troops from Cartagena to Barranquilla, and none of them were saved. The warship which went down about 60 miles from the port of Savinalla also carried a cargo of 500,000 cartridges and 999 fuses. The loss will be felt seriously by the government.

The sinking of the Lapopa will also cripple the naval fighting force, as Colombia recently sold the Cordova, which was her largest ship, and is now left with only one gunboat of any account. This is the General Pinzon, formerly the American steam yacht Mamouna.

One hundred thousand dollars has been sent to General Velez from Bogema with which to purchase another vessel.

Plans of the movements of the revolutionists in Colombia have been received by their agents here and if all has gone well, confirmatory news of a startling nature is soon to be expected. The steamer Philadelphia brought a large mail for Dr. Restrepo, the agent for the revolutionary party in this city. In an interview he said that altogether in Colombia his party have now an army of more than 20,000 men, well armed and equipped. General Uribe-Uribe, he said, has 10,000 well drilled troops under him and according to advices was to start on his campaign of the invasion of Colombia below San Cristobal on Aug. 23.

Before his lines is General Valencia with nearly an equal number of Colombian troops to oppose him.

At Rio Chacha, which is the seaport at the northern part of the department of Magdalena, with a population of 10,000, the revolutionists have two generals with a force of 3000 men who now have the city surrounded. General O. Castillo is in command and General J. M. Castillo is next in charge, with the forces divided about equally between them.

Rio Chacha will be attacked both by land and by sea, and a speedy fall is expected. Then they will take Santa Marta further down the coast, and hold both seaports of the Magdalena province. It will not be difficult to control the entire department.

Between Rio Chacha and Gendral Uribe-Uribe's position near San Cristobal is stationed General Camacho, who has a force of 4000 veterans. For some time they have been with ammunition, but about 18 days ago new arms and a large quantity of ammunition were successfully gotten to them, and they are now in fine shape.

Near Honda is General Marin with 2000 seasoned men, and in the Cauca province, in the south, are two generals and General Herrera.

When General Camacho and his troops join with General Uribe-Uribe the department of Santander will be virtually in our hands.

He said that the Colombian gunboat Pinzon will never come back over the bar at Barranquilla. It is very easy to go in, but so difficult to go out that steamboat navigation forever has been practically prohibited.

MIRACULOUS ESCAPE.

Miss Schroeder Falls Eighty Feet and Only Receives Bruises.

New York, Sept. 4.—After a fall of 80 feet, into the gorge of the Kaaterskill falls, in the Catskill mountains, Miss Caroline Schroeder of Brooklyn, was found to be unhurt, save for a few bruises.

The water plunges over a precipice 280 feet in height and on one side of the gorge is a shelf rock jutting out 80 feet below the summit. Miss Schroeder ventured too near the gorge, lost her balance and fell.

The people saw her body whirl downward. They saw it rest for a moment in the balsam boughs and then disappear in the midst of the dense foliage below. Three men descended on ropes and found the young woman unconscious. She soon regained consciousness and physicians in attendance, how-

Sour Lake has come in at last with a gusher.

The well being bored for oil at Hearne, is down 850 feet, and has passed through a two-foot vein of asphalt. The contractor expects to strike oil at 1200 feet.

A report comes from Navasota of an oil strike in Grimes county at 500 feet depth, by a Houston company. It has not been currently known that any one has been boring there since the Owens gin was discontinued.

Freight trains on most railroads in Texas are making extremely poor time, on account of scarcity of water. Yet cotton slumps in Liverpool because of the fine rains in Texas. Even if there were rains in Texas they would do cotton more harm than good.

TEN CENTS FOR COTTON.

A Word From the President of the Texas Cotton Growers' Protective Association.

Waco, Tex., Sept. 1.—Col. E. S. Peters, president Texas Cotton Growers' Protective Association, sent out a circular to the cotton growers of Texas to-day as follows: Calvert, Robertson County, Tex., Aug. 31.—To the cotton growers of Texas—There is every indication that the crop now being harvested will be short and the demand heavy. The nations of the world are at peace; money is plentiful and we believe middling cotton will go to ten cents. It was nine cents on the Galveston exchange last week. I would advise every farmer to market his crop very slowly, not over ten per cent each month.

If the farmers will do this and unite for a market price based on the cost of production, and fortify themselves with the statistics furnished by our association on the crops and markets of the world, we will never see five cents cotton again.

We believe the situation justifies us in saying that all cotton sold this year for less than ten cents middling will be below its true value.

E. S. PETERS, President Texas Cotton Growers Protective Association.

THE METHODISTS MEET

Delegates from All Over the World Gather at Wesley Chapel.

IMPORTANT MEETING

They Will Discuss Religious and Social Problems of the Church—Many of the Prominent Members Are in Attendance.

London, Sept. 4.—The ecumenical Methodist conference opened in Wesley Chapel today with a good attendance. In the devotional exercises King Edward and President McKinley were prayed for. Bishop Joseph V. Hartzell, missionary bishop of the Methodist Episcopal church in Africa, made the opening prayer and Bishop Galloway of Jackson, Miss., preached an eloquent sermon, setting forth the aims of the Methodists throughout the world and emphasizing the value of the tenets of John Wesley. Communion then followed.

The archbishop of Canterbury, Most Rev. Frederick Temple, and the bishop of London, Rt. Rev. A. F. W. Ingram, sent friendly messages, the archbishop of Canterbury praying that God's blessing may rest on the deliberations. The bishop of London sent a similar message, but adding the hope that some day the Methodists would be reunited with the Episcopalians.

The ecumenical conference is meeting in City Road Chapel, built by John Wesley in 1760. It is sometimes called the Cathedral of Methodism and is filled with memorials of all denominations tracing their origin to Wesley. Marble columns representing the Methodist branches in the north and south of the United States and Canada are among those holding up the gallery. They were presented after the first conference that assembled here exactly 20 years ago. The representations, which is on a basis of about 1 delegate to 20,000 members, gives the United States and Canada 300 out of 500 delegates composing the council. The chairman will be changed daily, so that all divisions represented will have a chairmanship.

For convenience the business conference is divided into the eastern and western sections which takes in all of the branches of the English Methodist together with affiliated conferences in Australia, South Africa and West Indies consists of 206 members. The western section includes the American and Canadian Methodist churches, and has 300 delegates. The church in the United States sent 129 representatives, among them Bishops Hurst, Vincent, Hamilton and Martellia. The Methodist Episcopal Church, South, is represented by 70 delegates including Bishops Fitzgerald, Granbury and Anderson. The Methodist church of Canada among its 20 representatives has Dr. Briggs, Dr. Potts, Prof. J. C. Antliff and Chancellor Brownash of Toronto. The African Methodist churches of the United States, are represented by 58 delegates including 20 colored bishops.

Though the conference does not have legislative and administrative power over the churches represented, their policy probably will be affected both directly and indirectly and discussions of religious and social problems that will come before it.

Negro Assaults a Girl and a Posse Does the Rest in Alabama.

Troy, Ala., Sept. 4.—News has just reached here of an assault committed early Tuesday morning by Bill Fournery alias Bill Hilliard on Miss Wilson, 18 miles southeast of the city. Miss Wilson, who is 16 or 17 years old, and the little daughter of Dos Carroll, about 12 years old, were on their way to school at Chestnut Grove, just across the line in Coffee county, when they were overtaken by the negro. He seized Miss Wilson and the little girl ran off. As she did so the negro fired his pistol at her but missed her. The little girl raised an alarm and soon a posse was after the negro. When they reached a scene of the crime they found Miss Wilson unconscious and terrible bitten on the face and bruised about the head. The posse tracked the negro to his home, where he was found by the posse. The little girl identified him and he was taken out and shot and then his body burned.

Resolutions of Respect.

Whereas, it has pleased Almighty God to take from our midst our beloved brother, R. W. Jones Jr., and whereas we realize that by his death we have lost a good, true and worthy member of our order, the community an upright and honorable citizen, and the bereaved family an affectionate husband, son and brother;

Therefore, Be it Resolved, by Vulcan lodge No. 37 of the Ancient Order of United Workmen, that we deeply deplore the untimely death of our brother; that we extend to the bereaved members of his family our sincere sympathy and with a spirit of true brotherhood share with them their deep sorrow.

Be it further resolved that the charter of this lodge be draped as a token of our sorrow for the loss of our departed brother; that a copy of these resolutions be sent to the members of his family, and that they be published in the Bryan Eagle and Brazos Pilot, and that they be spread on the minutes of Vulcan lodge Number 37.

QUESTION ANSWERED.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers' and grandmothers' never thought of using anything else for Indigestion or Billiousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's Prize Almanac. For sale by Wilson-Jenkins Drug Co.

TEXAS LEGISLATURE.

Most Measures Completed That Will Pass This Session.

THE END IN SIGHT.

Congressional, Senatorial and Representative Redistricting Bills Passed—Another Special Session Will Follow.

Austin, Sept. 4.—The special session of the Texas legislature called by the governor has about finished all business and will be ready to adjourn even before the time limit, which will expire tonight at midnight. Most of the subjects which were submitted have been passed and others have progressed far enough to be on the safe side. The appropriation and the judicial redistricting bills are the only ones that totally failed.

Yesterday was a busy day in both houses.

The free conference bills on congressional and representative districts were adopted by both houses. There was some show of opposition, but it proved futile.

The oil taxing bill has been engrossed, so has the bill increasing the amount of the state treasurer's bond, but they will die on the calendar.

The representative districts bill was finally adopted.

Governor Sayers has given no intimation as to when he will call another extra session or that he will call one at all. Various rumors are out that the governor will reconvene the lawmakers at once and only include in the call the appropriation bill. This seems to be the prevailing opinion, though some believe he will include other subjects.

The congressional districts bill as finally passed fixes the districts as follows:

First district—Lamar, Red River, Bowie, Cass, Marion, Morris, Titus, Camp, Franklin, Delta and Hopkins.

Second district—Jefferson, Orange, Newton, Jasper, Sabine, San Augustine, Angeline, Cherokee, Nacogdoches, Shelby, Panola, Harrison, Tyler and Hardin.

Third district—Van Zandt, Henderson, Wood, Smith, Upshur, Gregg, Rusk and Kaufman.

Fourth district—Grayson, Collin, Fannin, Hunt and Rains.

Fifth district—Dallas, Rockwall, Ellis Hill and Bosque.

Sixth district—Navarro, Freestone, Limestone, Robertson, Brazos and Milam.

Seventh district—Galveston, Liberty, Chambers, Polk, San Jacinto, Trinity, Houston and Anderson.

Eighth district—Harris, Fort Bend, Austin, Waller, Montgomery, Grimes, Walker, Madison and Leon.

Ninth district—Wharton, Matagorda, Jackson, Lavaca, Gonzales, DeWitt, Victoria, Calhoun, Aransas, Refugio, Goliad, Bee, Karnes, Brazoria, Colorado and Fayette.

Tenth district—Williamson, Travis, Hays, Caldwell, Bastrop, Washington, Burleson and Lee.

Eleventh district—McLennan, Falls, Bell, Coryell and Hamilton.

Twelfth district—Tarrant, Parker, Hood, Somervell, Johnson, Erath and Comanche.

Thirteenth district—Cooke, Denton, Wise, Montague, Clay, Jack, Young, Archer, Wichita, Wilbarger, Baylor, Throckmorton, Knox, Foard, Harde-man, Cottle, Motley, Floyd, Hale, Farmer, Castro, Swisher, Briscoe, Hall, Childress, Collingsworth, Donley, Armstrong, Randall, Deaf Smith, Oldham, Potter, Carson, Gray, Wheeler, Hemp-hill, Roberts, Hutchinson, Moore, Hartley, Dallam, Sherman, Hansford, Ochiltree and Lipscomb.

Fourteenth district—Lampasas, Coleman, Brown, Mills, McCullough, Mason, San Saba, Llano, Gillespie, Blanco, Comal, Bexar, Kendall, Kerr, Burnet and Bandera.

Fifteenth district—Medina, Frio, Atascosa, McMullen, La Salle, Webb, Duval, Nueces, Cameron, Hidalgo, Starr, Zapata, San Patricio, Live Oak, Uvalde, Zavalla, Dimmitt, Maverick, Kinney, Val Verde, Wilson and Guadalupe.

Sixteenth district—El Paso, Jeff Davis, Presidio, Brewster, Pecos, Crockett, Edwards, Sutton, Schleicher, Menard, Kimble, Concho, Tom Green, Irion, Upton, Crane, Ward, Reeves, Loving, Winkler, Ector, Midland, Glasscock, Sterling, Coke, Runnels, Callahan, Stephens, Shackelford, Jones, Taylor, Nolan, Fisher, Scurry, Mitchell, Howard, Borden, Dawson, Martin, Andrews, Gaines, Yoakum, Cochran, Hookley, Terry, Lubbock, Lynn, Garza, Kent, Eastland, Palo Pinto, Haskell, Stone-wall, King, Dickens, Crosby, Lamb and Bailey.

The population of the districts is as follows:

ANOTHER EXTRA SESSION.

Governor Reconvenes the Legislature to Pass the Appropriation Bill.

Austin, Sept. 4.—Governor Sayers has issued a proclamation reconvening the legislature in another special session for the purpose of passing a general appropriation bill. No other subjects will be submitted.

The house this morning adopted appropriate resolutions of respect to the memory of the late Hon. R. B. Hubbard.

A bill appropriating \$3000 for the care and maintenance of children who are deaf, dumb and blind was passed.

The bill increasing the bond of the treasurer from \$50,000 to \$250,000 and allowing surety companies to qualify and the state to pay a commission not to exceed 1/2 per cent, was passed.

The bill to reapportion the state into the judicial districts was laid on the table subject to call.

ANOTHER CONFERENCE.

Labor Leaders Talk Peace Terms With President Schwab.

New York, Sept. 4.—A conference between President Schwab of the United States Steel Corporation, Samuel Gompers, president of the American Federation of Labor, President Mitchell of the Mine Workers, Prof. Jenks of the Industrial Commission, Secretary White of the Garment Workers and Secretary Easley of the Civic Federation, is in progress at the office of Mr. Schwab to discuss conditions of peace in the great steel strike. The conference was arranged at the request of Messrs. Gompers and Mitchell, who, it is believed, are acting for President Shaffer.

STRIKERS WEAKENING.

Some Give up and Return to Work in the Pennsylvania Tube Works.

Pittsburg, Sept. 4.—The strike in the Pennsylvania Tube plant here is broken. Early this morning 150 strikers went to work in the plant and Superintendent McMurte says it will be running fully in a few days. The rest of the strikers, about 600, will meet to decide whether to return or not. It is thought they will return. Everything is quiet about the plant. The men are busily engaged in getting the plant in running order.

Preparations have been completed for starting the Demlar Tin Plate plant at McKeesport. The start will be made with a full force with deputy sheriffs on guard. The introduction of the strong arm of the law into the steel strike, will it be believed, undoubtedly bring about a crisis in the strike situation.

In some quarters it is thought this move may lead to an early settlement of the present troubles, but in others that the presence of the sheriff's forces may result in a conflict. A request for protection was made by Superintendent Lauck and Sheriff McKinley immediately made arrangements and dispatched a large number of deputies to the scene.

Four hundred men went to work in the National Tube Works. There was a crowd about the entrance, but the strikers failed to make good the threat to prevent the men from returning and there was no demonstration. The men who went back were threaders, machinists, carpenters and molders. The furnaces have not been put in operation but the machinery is running and the men are finishing left over stock for small short time orders.

Czar Received With Coolness.

London, Sept. 4.—The Times prints a dispatch from Copenhagen which asserts that the remarkable coolness of the people in regard to the czar's visit continues. This is declared to be undoubtedly due to the Finnish question. Finland being regarded as a part of Greater Scandinavia and the Pan-Scandinavian feeling being never more intense than at the present time. The very day that the czar arrived in Danish waters a party of Finnish singers who had been enthusiastically received, departed. It is asserted that the czar will not visit Copenhagen.

Guerrillas and Bandits Convicted.

Washington, Sept. 4.—The outrages committed by armed guerrillas and bandits against innocent Filipinos continue to be rigorously dealt with by the authorities of the Philippines. The records in about 20 cases have been received at the war department. They show that the death penalty has been inflicted upon 13 murderers by military commissions and that 5 offenders were sentenced to hard labor of from 15 to 30 years.

Going to Europe.

Fort Worth, Tex., Sept. 4.—James S. Hogg and James W. Swayne, promoters of the Hogg-Swayne syndicate, leave next week for Europe. They go for the purpose of forming a combination with foreign capitalists to provide a market for the oil products of the Beaumont field. They will go direct to London. Transportation arrangements will be made with the steamship companies.

Mediation Welcomed.

Washington, Sept. 4.—The note of the United States offering to mediate has created an unusual stir in South American diplomatic quarters and is construed to be rather a marked development in the Monroe doctrine, and one which will be most acceptable to South America.

Stop Travel to Cape Town.

London, Sept. 4.—The going to and from of certain persons between London and Cape Town is to be stopped by the government. The Pall Mall Gazette says the mails of other suspected persons are being examined and important correspondence seized.

THE ENGINE FOUND.

Robbers Left it Four Miles from
Scene of Robbery.

ESCAPED IN THICKET

Passengers Nor Mail Were Molested,
but They Carried Off Two Sacks
of Loot from the Express
Car—Officers in Pursuit.

Texarkana, Tex., Sept. 4.—There were
six instead of five men that held up the
Cotton Belt passenger train on Tuesday
night near Eylau Station. After blowing
up the safe in the express car with
dynamite, the robbers secured two sacks
of loot. This they transferred to the
engine, which had been detached from
the other cars. Engineer Henderson was
compelled to put out his headlight, he
was then put off and one robber took
charge of the engine, saying two of
their number knew as much about run-
ning it as he did.

The engine was then run south at
full speed. Engineer Henderson fol-
lowed on a handcar, which he had se-
cured from a nearby switch house after
some delay. Early this morning he
came up with the deserted engine about
four miles from the scene of the ro-
bbery. The robbers, who the engineer be-
lieved from their actions were railroad
men, had escaped into the dense woods
surrounding the track at this point.
Engineer Henderson could not give a
very accurate description of the men,
but said they were all young and were
masked.

The engineer took the engine back,
picked up the mail and express cars,
then going to the remainder of the train
coupled on and continued south. Nei-
ther passengers nor mail was molested by
the robbers.

Several posses are out hunting the
robbers. Bloodhounds kept at the peni-
tentiary at Rusk, Tex., were sent to the
scene of the robbery on a special train.
Everything that can be done to capture
the robbers is being done by the Cotton
Belt officials. O. K. Wheeler, chief of
that road's special detective force with
five men, reached here on a special en-
gine running from Tyler, Tex., and took
up the trail.

It is believed the robbers are in Sul-
phur river bottom moving toward the
Louisiana line.

It cannot be ascertained here from
railroad officials how much money was
secured from the express car, but it is
thought to reach into thousands.

The First Report.

Texarkana, Tex., Sept. 4.—Four miles
south of this place last night the
Cotton Belt passenger train No. 1 was
held up by robbers, the express car
looted and all valuables taken.

The train was flagged by one of the
robbers who forced the fireman to go
back and cut off the mail and baggage
cars and returning forced the engineer
to give up the management of his en-
gine to one of the robbers, who it ap-
pears is an expert engineer. He ran the
engine, mail and express cars about a
mile from the point where they
stopped. There they forced the ex-
press messenger to open his car, then
they blew the safe open with dynamite,
securing a very large booty.

The robbers then cut off the engine
from the mail and express cars, and
forcing Engineer Henderson to get off,
they took the engine in charge of the
robber engineer and went south at full
speed. No passengers were molested.
They were, however, badly frightened
and hid their valuables.

Got But Little Booty.

St. Louis, Sept. 4.—Superintendent
Fuller of the Pacific Express, believes
the Cotton Belt robbers got little, but
he declined to state the amount aboard.
The Cotton Belt railway and Pacific
Express company offer \$300 apiece for
the six robbers.

China Apologizes to Germany.

Potsdam, Sept. 4.—Prince Chun vi-
sited the mausoleum at Friedenskirche
today and placed wreaths on the tombs
of Emperor and Empress Freder-
ick. Emperor William received Chun
at noon in the presence of Royal Prin-
ces Baron von Richthofen, the for-
eign secretary, principal ministers and
generals and court dignitaries. The
prince read a letter written in yellow
ink to the emperor. After the audi-
ence Prince Chun inspected the guard of
honor and returned to Oranienburg, where
the emperor visited him in the after-
noon. The visit was to apologize for
the murder of Minister Von Ketteler to
China.

Incendiary Suspected.

Chicago, Sept. 4.—What firemen say
was a well arranged plan to destroy the
Orpheon theater building on Washing-
ton street, opposite the city hall, was
made shortly after midnight Tuesday
night. The building is a 4-story struc-
ture, and many of the rooms were oc-
cupied as offices by various firms. As-

sistant Fire Marshall Horan and his
men discovered evidences of incendi-
ism in a room on the fourth floor. An
investigation is proceeding.

Higimo Will Be Leader.

Rio de Janeiro, Sept. 4.—It is asserted
that Senor Jose Higimo will be appoint-
ed president of the Brazilian delegation
at the Pan-American congress. The
other members of the delegation will be
Former Minister of the Interior Pitacio
Pessoa and the Brazilian minister to the
United States, J. F. De Assis-Brazil.

WAR IN COLOMBIA.

Revolutionists Declare They Will Defeat
the Government Troops.

New York, Sept. 4.—The brief en-
able mention of the recent sinking of the
Colombian gunboat Lapopa has been
supplemented by further particulars re-
garding the accident, by mail. General
Joaquin Velez, of the government of
Bolívar, charges that the Lapopa was
sunk by rebels, and he has caused the
imprisonment of the four survivors,
charging them with complicity in the
plot.

The government has used every effort
to suppress the details of the wreck.
On this account it is not definitely
known how many lives were lost. La-
popa was carrying troops from Cartha-
gena to Barranquilla, and none of them
were saved. The warship which went
down about 60 miles from the port of
Savannah also carried a cargo of 500,000
cartridges and 1000 rifles. The loss will
be felt seriously by the government.

The sinking of the Lapopa will also
cripple the naval fighting force, as Co-
lombia recently sold the Cordova, which
was her largest ship, and is now left
with only one gunboat of any account.
This is the General Pinzon, formerly
the American steam yacht Mamouna.

One hundred thousand dollars has
been sent to General Velez from Bogota
with which to purchase another
vessel.

Plans of the movements of the revo-
lutionists in Colombia have been re-
ceived by their agents here and if all
has gone well, confirmatory news of a
startling nature is soon to be expected.
The steamer Philadelphia brought a
large mail for Dr. Restrepo, the agent
for the revolutionary party in this city.
In an interview he said that altogether
in Colombia his party have now an
army of more than 20,000 men, well
armed and equipped. General Uribe-
Uribe, he said, has 10,000 well drilled
troops under him and according to ad-
vices was to start on his campaign of
the invasion of Colombia below San
Cristobal on Aug. 23.

Before his lines is General Valencia
with nearly an equal number of Colum-
bian troops to oppose him.

At Rio Chacha, which is the seaport
at the northern part of the department
of Magdalena, with a population of 10-
000, the revolutionists have two gen-
erals with a force of 3000 men who now
have the city surrounded. General O.
Castillo is in command and General J.
M. Castillo is next in charge, with the
forces divided about equally between
them.

Rio Chacha will be attacked both by
land and by sea, and a speedy fall is ex-
pected. Then they will take Santa
Marta further down the coast, and hold
both seaports of the Magdalena province.
It will not be difficult to control the en-
tire department.

Between Rio Chacha and Gendral
Uribe-Uribe's position near San Cristo-
bal is stationed General Camacho, who
has a force of 4000 veterans. For some
time they have been with ammunition,
but about 18 days ago new arms and a
large quantity of ammunition were suc-
cessfully gotten to them, and they are
now in fine shape.

Near Honda is General Marin with
2000 seasoned men, and in the Cauca
province, in the south, are two generals
and General Herrera.

When General Comacho and his troops
join with General Uribe-Uribe the de-
partment of Santander will be virtu-
ally in our hands.

He said that the Colombian gunboat
Pinzon will never come back over the
bar at Barranquilla. It is very easy to
go in, but so difficult to go out that
steamboat navigation forever has been
practically prohibited.

MIRACULOUS ESCAPE.

Miss Schroeder Falls Eighty Feet and
Only Receives Bruises.

New York, Sept. 4.—After a fall of 80
feet, into the gorge of the Kaaterskill
falls, in the Catskill mountains, Miss
Caroline Schroeder of Brooklyn, was
found to be unhurt, save for a few
bruises.

The water plunges over a precipice
280 feet in height and on one side of
the gorge is a shelf rock jutting out 80
feet below the summit. Miss Schroeder
ventured too near the gorge, lost her
balance and fell.

The people saw her body whirl down-
ward. They saw it rest for a moment
in the balsam boughs and then disap-
pear in the midst of the dense foliage
below. Three men descended on ropes
and found the young woman uncon-
scious. She soon regained conscious-
ness and physicians in attendance, how-

THE METHODISTS MEET

Delegates from All Over the World
Gather at Wesley Chapel.

IMPORTANT MEETING

They Will Discuss Religious and Social
Problems of the Church—Many
of the Prominent Members
Are in Attendance.

London, Sept. 4.—The ecumenical
Methodist conference opened in Wesley
Chapel today with a good attend-
ance. In the devotional exercises King
Edward and President McKinley were
prayed for. Bishop Joseph V. Hartzell,
missionary bishop of the Methodist
Episcopal church in Africa, made the
opening prayer and Bishop Galloway of
Jackson, Miss., preached an eloquent
sermon, setting forth the aims of the
Methodists throughout the world and
emphasizing the value of the tenets of
John Wesley. Communion then fol-
lowed.

The archbishop of Canterbury, Most
Rev. Frederick Temple, and the bishop
of London, Rt. Rev. A. F. W. Ingram,
sent friendly messages, the archbishop
of Canterbury praying that God's bless-
ing may rest on the deliberations. The
bishop of London sent a similar mes-
sage, but adding the hope that some
day the Methodists would be reunited
with the Episcopalians.

The ecumenical conference is meeting
in City Road Chapel, built by John
Wesley in 1790. It is sometimes called
the Cathedral of Methodism and is filled
with memorials of all denominations
tracing their origin to Wesley. Marble
columns representing the Methodist
branches in the north and south of the
United States and Canada are among
those holding up the gallery. They were
presented after the first conference that
assembled here exactly 20 years ago.
The representations, which is on a basis
of about 1 delegate to 20,000 members,
gives the United States and Canada 300
out of 500 delegates composing the coun-
cil. The chairman will be changed daily,
so that all divisions represented will
have a chairmanship.

For convenience the business confer-
ence is divided into the eastern and
western sections which takes in all of
the branches of the English Methodist
together with affiliated conferences in
Australia, South Africa and West In-
dies consists of 206 members. The
western section includes the American
and Canadian Methodist churches, and
has 300 delegates. The church in the
United States sent 129 representatives,
among them Bishops Hurst, Vincent,
Hamilton and Martzelia. The Metho-
dist Episcopal Church, South, is re-
presented by 70 delegates including Bish-
ops Fitzgerald, Granbury and Ander-
son. The Methodist church of Canada
among its 20 representatives has Dr.
Briggs, Dr. Potts, Prof. J. C. Antliff
and Chancellor Brownash of Toronto.
The African Methodist churches of the
United States, are represented by 58 de-
legates including 20 colored bishops.

Though the conference does not have
legislative and administrative power
over the churches represented, their
policy probably will be affected both
directly and indirectly and discussions
of religious and social problems that will
come before it.

worthy events of diplomatic character

Count Gilbert Hohenwart von Gerlach-

half that sum. Mr. Smart immediately
communicated with a Broadway broker
to arrange the former wager and has
since put up \$10,000 against \$8000 that
the Shamrock will not lift the cup.

SHOT AND BURNED.

Negro Assaults a Girl and a Posse Does
the Rest in Alabama.

Troy, Ala., Sept. 4.—News has just
reached here of an assault committed
early Tuesday morning by Bill Fournay
alias Bill Hilliard on Miss Wilson, 18
miles southeast of the city. Miss Wil-
son, who is 16 or 17 years old, and the
little daughter of Doc Carroll, about 12
years old, were on their way to school
at Chestnut Grove, just across the line
in Coffee county, when they were over-
taken by the negro. He seized Miss
Wilson and the little girl ran off. As
she did so the negro fired his pistol at
her but missed her. The little girl
raised an alarm and soon a posse was
after the negro. When they reached
the scene of the crime they found Miss
Wilson unconscious and terrible bitten
on the face and bruised about the head.
The posse tracked the negro to his
home, where he was found by the posse.
The little girl identified him and he was
taken out and shot and then his body
burned.

Miss Wilson is in a precarious condi-
tion.

All the interior is beautifully hardoiled. Wagon scales are provided at the west end with the weigher's seat and desk inside. The arrangements of the whole are perfect for light and ventilation. Many other improvements have also been made about the ginney and oil mill including chutes for loading cars. Under the direction of Manager Patterson the property has been put in first class shape throughout. The big ginney is busy and the oil mill will be started within the next few days. These enterprises are such as any city in the state might well feel proud of, and their success seems assured under the management of the Bryan Cotton oil company. They have a large force of employees and in this way contribute no small amount to the general business of the town. They are manifesting a business spirit that is worthy of encouragement.

Resolutions of Respect.

Whereas, it has pleased Almighty God to take from our midst our beloved brother, R. W. Jones Jr., and whereas we realize that by his death we have lost a good, true and worthy member of our order, the community an upright and honorable citizen, and the bereaved family an affectionate husband, son and brother;

Therefore, Be it Resolved, by Vulcan lodge No. 37 of the Ancient Order of United Workmen, that we deeply deplore the untimely death of our brother; that we extend to the bereaved members of his family our sincere sympathy and with a spirit of true brotherhood share with them their deep sorrow.

Be it further resolved that the charter of this lodge be draped as a token of our sorrow for the loss of our departed brother; that a copy of these resolutions be sent to the members of his family, and that they be published in the Bryan Eagle and Brazos Pilot, and that they be spread on the minutes of Vulcan lodge Number 37.

QUESTION ANSWERED.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers' and grandmothers' never thought of using anything else for Indigestion or Billiousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's Prize Almanac. For sale by Wilson-Jenkins Drug Co.

TEXAS LEGISLATURE.

Most Measures Completed That Will Pass This Session.

THE END IN SIGHT.

Congressional, Senatorial and Representative Redistricting Bills Passed—Another Special Session Will Follow.

Austin, Sept. 4.—The special session of the Texas legislature called by the governor has about finished all business and will be ready to adjourn even before the time limit, which will expire tonight at midnight. Most of the subjects which were submitted have been passed and others have progressed far enough to be on the safe side. The appropriation and the judicial redistricting bills are the only ones that totally failed.

Yesterday was a busy day in both houses.

The free conference bills on congressional and representative districts were adopted by both houses. There was some show of opposition, but it proved futile.

The oil taxing bill has been engrossed, so has the bill increasing the amount of the state treasurer's bond, but they will die on the calendar.

The representative districts bill was finally adopted.

Governor Sayers has given no intimation as to when he will call another extra session or that he will call one at all. Various rumors are out that the governor will reconvene the lawmakers at once and only include in the call the appropriation bill. This seems to be the prevailing opinion, though some believe he will include other subjects.

The congressional districts bill as finally passed fixes the districts as follows:

First district—Lamar, Red River, Bowie, Cass, Marion, Morris, Titus, Camp, Franklin, Delta and Hopkins.

Second district—Jefferson, Orange, Newton, Jasper, Sabine, San Augustine, Angeline, Cherokee, Nacogdoches, Shelby, Panola, Harrison, Tyler and Hardin.

Third district—Van Zandt, Henderson, Wood, Smith, Upshur, Gregg, Rusk and Kaufman.

Fourth district—Grayson, Collin, Fannin, Hunt and Rains.

Fifth district—Dallas, Rockwall, Ellis Hill and Bosque.

Sixth district—Navarro, Freestone, Limestone, Robertson, Brazos and Milam.

Seventh district—Galveston, Liberty, Chambers, Polk, San Jacinto, Trinity, Houston and Anderson.

Eighth district—Harris, Fort Bend, Austin, Waller, Montgomery, Grimes, Walker, Madison and Leon.

Ninth district—Wharton, Matagorda, Jackson, Lavaca, Gonzales, DeWitt, Victoria, Calhoun, Aransas, Refugio, Goiaad, Bee, Karnes, Brazoria, Colorado and Fayette.

Tenth district—Williamson, Travis, Hays, Caldwell, Bastrop, Washington, Burleson and Lee.

Eleventh district—McLennan, Falls, Bell, Coryell and Hamilton.

Twelfth district—Tarrant, Parker, Hood, Somervell, Johnson, Erath and Comanche.

Thirteenth district—Cooke, Denton, Wise, Montague, Clay, Jack, Young, Archer, Wichita, Wilbarger, Baylor, Throckmorton, Knox, Foard, Hardeeman, Cottle, Motley, Floyd, Hale, Farmer, Castro, Swisher, Briscoe, Hall, Childress, Collingsworth, Donley, Armstrong, Randall, Deaf Smith, Oldham, Potter, Carson, Gray, Wheeler, Hemphill, Roberts, Hutchinson, Moore, Hartley, Dallam, Sherman, Hansford, Ochiltree and Lipscomb.

Fourteenth district—Lampasas, Coleman, Brown, Mills, McCullough, Mason, San Saba, Llano, Gillespie, Blanco, Comal, Bexar, Kendall, Kerr, Burnet and Bandera.

Fifteenth district—Medina, Frio, Atascosa, McMullen, La Salle, Webb, Duval, Nueces, Cameron, Hidalgo, Starr, Zapata, San Patricio, Live Oak, Uvalde, Zavalla, Dimmitt, Maverick, Kinney, Val Verde, Wilson and Guadalupe.

Sixteenth district—El Paso, Jeff Davis, Presidio, Brewster, Pecos, Crockett, Edwards, Sutton, Schleicher, Menard, Kimble, Concho, Tom Green, Irion, Upton, Crane, Ward, Reeves, Loving, Winkler, Ector, Midland, Glasscock, Sterling, Coke, Runtels, Callahan, Stephens, Shackelford, Jones, Taylor, Nolan, Fisher, Scurry, Mitchell, Howard, Borden, Dawson, Martin, Andrews, Gaines, Yoakum, Cochran, Hookley, Terry, Lubbock, Lynn, Garza, Kent, Eastland, Palo Pinto, Haskell, Stone-wall, King, Dickens, Crosby, Lamb and Bailey.

ANOTHER EXTRA SESSION.

Governor Reconvenes the Legislature to Pass the Appropriation Bill.

Austin, Sept. 4.—Governor Sayers has issued a proclamation reconvening the legislature in another special session for the purpose of passing a general appropriation bill. No other subjects will be submitted.

The house this morning adopted appropriate resolutions of respect to the memory of the late Hon. R. B. Hubbard.

A bill appropriating \$3000 for the care and maintenance of children who are deaf, dumb and blind was passed.

The bill increasing the bond of the treasurer from \$50,000 to \$350,000 and allowing surety companies to qualify and the state to pay a commission not to exceed 1/2 per cent, was passed.

The bill to reappropriate the state into the judicial districts was laid on the table subject to call.

ANOTHER CONFERENCE.

Labor Leaders Talk Peace Terms With President Schwab.

New York, Sept. 4.—A conference between President Schwab of the United States Steel Corporation, Samuel Gompers, president of the American Federation of Labor, President Mitchell of the Mine Workers, Prof. Jenks of the Industrial Commission, Secretary White of the Garment Workers and Secretary Easley of the Civic Federation, is in progress at the office of Mr. Schwab to discuss conditions of peace in the great steel strike. The conference was arranged at the request of Messrs. Gompers and Mitchell, who, it is believed, are acting for President Shaffer.

STRIKERS WEAKENING.

Some Give Up and Return to Work in the Pennsylvania Tube Works.

Pittsburg, Sept. 4.—The strike in the Pennsylvania Tube plant here is broken. Early this morning 150 strikers went to work in the plant and Superintendent McMate says it will be running fully in a few days. The rest of the strikers, about 600, will meet to decide whether to return or not. It is thought they will return. Everything is quiet about the plant. The men are busily engaged in getting the plant in running order.

Preparations have been completed for starting the Demlar Tin Plate plant at McKeesport. The start will be made with a full force with deputy sheriffs on guard. The introduction of the strong arm of the law into the steel strike, will it is believed, undoubtedly bring about a crisis in the strike situation.

In some quarters it is thought this move may lead to an early settlement of the present troubles, but in others that the presence of the sheriff's forces may result in a conflict. A request for protection was made by Superintendent Lauck and Sheriff McKinley immediately made arrangements and dispatched a large number of deputies to the scene.

Four hundred men went to work in the National Tube Works. There was a crowd about the entrance, but the strikers failed to make good the threat to prevent the men from returning and there was no demonstration. The men who went back were threaders, machinists, carpenters and molders. The furnaces have not been put in operation but the machinery is running and the men are finishing left over stock for small short time orders.

Czar Received With Coolness.

London, Sept. 4.—The Times prints a dispatch from Copenhagen which asserts that the remarkable coolness of the people in regard to the czar's visit continues. This is declared to be undoubtedly due to the Finnish question. Finland being regarded as a part of Greater Scandinavia and the Pan-Scandinavian feeling being never more intense than at the present time. The very day that the czar arrived in Danish waters a party of Finnish singers who had been enthusiastically received, departed. It is asserted that the czar will not visit Copenhagen.

Guerrillas and Bandits Convicted.

Washington, Sept. 4.—The outrages committed by armed guerrillas and bandits against innocent Filipinos continue to be rigorously dealt with by the authorities of the Philippines. The records in about 20 cases have been received at the war department. They show that the death penalty has been inflicted upon 13 murderers by military commissions and that 5 offenders were sentenced to hard labor of from 15 to 30 years.

Going to Europe.

Fort Worth, Tex., Sept. 4.—James S. Hogg and James W. Swayne, promoters of the Hogg-Swayne syndicate, leave next week for Europe. They go for the purpose of forming a combination with foreign capitalists to provide a market for the oil products of the Beaumont field. They will go direct to London. Transportation arrangements will be made with the steamship companies.

Mediation Welcomed.

Washington, Sept. 4.—The note of the United States offering to mediate has created an unusual stir in South American diplomatic quarters and is construed to be rather a marked development in the Monroe doctrine, and one which will be most acceptable to South America.

Stop Travel to Cape Town.

London, Sept. 4.—The going to and from of certain persons between London and Cape Town is to be stopped by the government. The Pall Mall Gazette says the mails of other suspected persons are being examined and important correspondence seized.
